Vicki –

Over that past couple of weeks, we have been working with Jeff Bye on the medallion concept, and we think we are at a point where we need to start working on the artwork for the medallion so we can take the next steps in completing your visions for your city. I have worked with other folks in Lacrosse and look forward to working with you as well. When you have a chance, can you please give me a call so we can discuss the next steps.

Thanks,

Daniel Kovalchick
